FA Respect Code of Conduct For Players

AFC Oakley takes responsibility to promote high standards of behaviour in the game and undertake the FA's Respect Code of Conduct. The club would ask members to observe the FA's Respect Code of Conduct for players at all times.

When playing football, we will:

- Always play to the best of our ability
- Play fairly – we won't cheat, complain or waste time
- Respect our team-mates, the other team, the referee or our coach / manager
- Play by the rules, as directed by the referee
- Shake hands with the other team and referee at the end of the game
- Listen and respond to what our coach / team manager tells us
- Talk to someone we trust or the club welfare officer if we are unhappy about anything at our club.

We understand that if we do not follow the Code, any/all of the following actions may be taken by the club, County FA or the FA. We may:

- Be required to apologise to our team-mates, the other team, referee or team manager
- Receive a formal warning from the coach or the club committee
- Be dropped or substituted
- Be suspended from training
- Be required to leave the club.

In addition AFC Oakley requests that players take care to:

- Always behave in an appropriate manner, and respect others.
- Listen and respond to what the coach, team manager or other officials are saying, and accept decisions made by club officials.
- Talk to someone they trust, or the club welfare officer, if they are unhappy about something at the club.
- Attend training and matches with appropriate clothing and equipment. Shin-pads are a requirement for all activities, and a drinks bottle is also advised. In winter months, players should attend with warm and waterproof layers and gloves. Footwear is inspected by referees at every match, and studs should be adequately maintained and replaced where necessary.
- Make every effort to attend mid-week training sessions and weekend matches for the duration of the season.
- Notify the manager as soon as it is known that a player will be absent for a training session or a match, including over half-term, Christmas and Easter holidays. Leagues may schedule some matches for the holiday periods, and a manager must give four weeks' notice to the league to request a free weekend if many players are to be away. • Inform the coaching staff as soon as possible if any contact details change during the season.
